

IXANVL BINARY LICENSE AGREEMENT

This IxANVL Binary License Agreement (this "Agreement") is a legal agreement between you (a business entity and not an individual) ("Licensee") and Keysight Technologies, Inc., a Delaware corporation ("Keysight"), governing Licensee's possession and use of the IxANVL software product(s) identified in the corresponding invoice, including all copies thereof and all associated media (collectively, the "SOFTWARE"). By checking and/or clicking "I Accept" or a similar box or button at the beginning of the SOFTWARE download and/or installation process, by installing the SOFTWARE or having the SOFTWARE installed (for example, and not by way of limitation, by permitting Keysight to install the SOFTWARE on hardware owned, controlled, or operated by Licensee), by using the SOFTWARE, by downloading the SOFTWARE, and/or by activating the SOFTWARE with any associated license key, as applicable, you are binding the business entity that you represent (i.e., Licensee) to the terms and conditions of this Agreement.

If Licensee does not agree to be bound by the terms of this Agreement, Licensee may not download, install, activate, or use the SOFTWARE in any way, and Licensee must not allow any person to check and/or click "I Accept" or any similar box or button associated with this Agreement during the SOFTWARE installation, activation, and/or downloading process, as applicable, and must promptly return the SOFTWARE (including, without limitation, any software media), unused, to the vendor who provided it to Licensee.

1. GRANT OF LICENSE

Subject to all terms, conditions, and restrictions in this Agreement, Keysight grants to Licensee a non-exclusive, non-transferable, non-sublicenseable license to (i) install and use the Software only on the computer(s) for which Licensee purchased a license, and only in object code form, and (ii) use the provided end user documentation, whether printed or electronic (together with any copies thereof made in accordance with this Agreement, the "Documentation"), in support of Licensee's use of the SOFTWARE as permitted hereunder. The licenses granted above are subject to the following terms and conditions, as well as all other terms and conditions in this Agreement and any applicable limitations in the corresponding invoice:

(a) Node-Locked License. If Licensee purchased a license for the Software that *is not* identified on the corresponding invoice as a "floating" license then, for each such license purchased (each, a "Node-Locked License"), the Software may be installed only on one workstation, and may be used by only one user at a time. For Software licensed to Licensee pursuant to a Node-Locked License, Licensee must contact Keysight to move the Software between workstations.

(b) Floating License. If Licensee purchased a license for the Software that *is* identified on the corresponding invoice as a "floating" license (a "Floating License"), then Licensee may install the Software on an unlimited number of workstations, *but* Licensee may only use the Software simultaneously on the number of workstations for which Licensee purchased Floating License seats (with one user at a time per such workstation). Notwithstanding the foregoing or anything herein to the contrary, any license management software provided in connection with a Floating License and as part of the Software may be installed and used only on a single computer server.

(c) Updates and Releases. To the extent that, pursuant to the Keysight Limited Warranty and Technical Support Services Agreement (the "Warranty Agreement"), Keysight provides Licensee with any revisions, modifications, updates, or new releases for the SOFTWARE, or any additional software to supplement the SOFTWARE, the same shall become part of the "SOFTWARE" licensed hereunder when delivered to Licensee and shall be subject to all of the terms and conditions contained herein. With respect to any technical information Licensee provides to Keysight in connection with the license(s) granted to Licensee hereunder, Keysight may use such information for any purpose without restriction, including, without limitation, for product support and development. Keysight will not use such technical information in a form that identifies Licensee.

(d) Media; License Keys. Licensee may receive the SOFTWARE in more than one medium, or Licensee may receive copies of the SOFTWARE that are compatible with operating systems not specified on the applicable Keysight invoice. Regardless, Licensee may use the SOFTWARE only as expressly permitted in this Agreement. Licensee acknowledges and agrees that installation and/or use of the SOFTWARE may be subject to activation by license key.

(e) Copies. Except as is otherwise expressly provided in this Agreement, Licensee may make only one copy of the SOFTWARE, and may

IXANVL BINARY LICENSE AGREEMENT

use that copy only for backup and archival purposes. Licensee may copy the Documentation to the limited extent reasonably necessary to facilitate Licensee's use of the SOFTWARE in accordance with this Agreement.

(f) Reservation of Rights. Keysight reserves all rights not expressly granted herein.

2. TITLE; COPYRIGHT; NO SALE

(a) Ownership. Certain of the SOFTWARE contains or is based upon software and/or other materials licensed to Keysight by third party licensors. Licensee acknowledges and agrees that the SOFTWARE constitutes valuable trade secrets of Keysight, its affiliates, and/or its licensors (as applicable). Licensee further acknowledges and agrees that Keysight, its affiliates, and/or its licensors (as applicable) own all right, title, and interest in and to the SOFTWARE (including, without limitation, any all copies, extracts, and associated media thereof, all concepts, logic, protocols, and specifications related thereto, and all images, "applets," photographs, animations, video, audio, and/or text incorporated therein), as well as all patents, trademarks, trade names, inventions, copyrights, know-how, trade secrets, and other intellectual and industrial property rights, and any related applications or extensions, relating to the design, manufacture, operation, or service of the SOFTWARE.

(b) Copyright; Copies. Licensee acknowledges and agrees that the SOFTWARE and the Documentation is protected by United States copyright laws and international treaty provisions. Licensee must treat the SOFTWARE and the Documentation like any other copyrighted material except as otherwise provided herein with respect to making copies of the SOFTWARE or the Documentation.

(c) Licensed Not Sold. Licensee acknowledges and agrees that the SOFTWARE and the Documentation has been licensed to Licensee pursuant to the terms and conditions of this Agreement and that the SOFTWARE and the Documentation has not been sold to Licensee.

3. RESTRICTIONS AND LIMITATIONS

(a) General Use Restrictions. Licensee shall not use, copy, merge, or transfer copies of the SOFTWARE or the Documentation except as may be expressly and specifically authorized in this Agreement. Licensee shall not knowingly take any action that would cause the SOFTWARE or the Documentation to be placed in the public domain.

(b) No Reverse Engineering; No Modification. To the maximum extent permitted by applicable law, Licensee may not, under any circumstances, reverse engineer, decompile, disassemble, or otherwise attempt to discover, reconstruct, or identify the source code for the SOFTWARE or any user interface techniques, algorithms, logic, protocols, or specifications included, incorporated, or implemented therein. Furthermore, to the maximum extent permitted by applicable law, Licensee may not, except as expressly authorized by Keysight in the Documentation, modify, port, translate, or create derivative works of the SOFTWARE.

(c) No Rentals or Leasing. Licensee may not, and agrees that it will not, transfer, assign, rent, lease, lend, resell, or in any way distribute or transfer the SOFTWARE or the Documentation (or any rights in this Agreement, the SOFTWARE, and/or the Documentation) to any third parties, including by operation of law, without Keysight's prior written approval and subject to written agreement by the recipient to the terms of this Agreement.

(d) Export Restrictions; Compliance with Laws. Licensee agrees that Licensee will not, directly or indirectly, export or transmit the SOFTWARE or the Documentation to any country to which such export or transmission is restricted by any applicable U.S. regulation or statute, without the prior written consent, if required, of the Bureau of Export Administration of the U.S. Department of Commerce or such other governmental entity as may have jurisdiction over such export or transmission. Licensee agrees to comply with and conform to all applicable laws, regulations, ordinances, and executive orders relating to Licensee's use of the SOFTWARE and/or the Documentation.

4. USE AUDIT

Keysight shall have the right, upon reasonable notice, to conduct and/or have an independent accounting firm conduct, during normal business hours on Licensee's premises under Licensee's reasonable supervision, an audit to verify Licensee's compliance with the terms of this Agreement.

5. TERM AND TERMINATION

IXANVL BINARY LICENSE AGREEMENT

(a) General. Except as provided below with respect to evaluation and limited term licenses, this Agreement and the license(s) granted herein will remain effective until terminated. Licensee may terminate this Agreement and the license(s) granted herein by ceasing all use of the SOFTWARE and the Documentation, and returning all copies of the SOFTWARE and the Documentation to Keysight. This Agreement (including but not limited to the license(s) granted to Licensee under this Agreement) will automatically terminate if Licensee fails to comply with any term or condition of this Agreement.

(b) Evaluation and Term Licenses. If the SOFTWARE and the Documentation have been licensed to Licensee for evaluation purposes, this Agreement will be effective only until the end of the designated evaluation period. If the SOFTWARE and the Documentation have been licensed to Licensee for a limited term as specified in the applicable invoice or otherwise, then this Agreement will be effective only until the end of such term. SOFTWARE that is subject to any evaluation or limited term license may contain code that can disable most or all of the features of such SOFTWARE upon expiration of such evaluation or limited term license, and unless Licensee has paid to Keysight the applicable license fee for any additional licenses, Licensee shall have no rights to use the SOFTWARE or the Documentation upon expiration of any such license.

(c) Obligations Upon Termination or Expiration. Licensee agrees, upon any termination or expiration of this Agreement, to cease use of, and to destroy or return to Keysight, all copies of the SOFTWARE and the Documentation. Notwithstanding anything in this Agreement to the contrary, Sections 2 through 12 of this Agreement shall survive any expiration or termination of this Agreement and continue in perpetuity (provided that Keysight's obligations under the Warranty Agreement shall not survive any such expiration or termination).

6. LIMITED WARRANTY; DISCLAIMER; LIMITATION OF LIABILITY

(a) Limited Warranty. Keysight provides a limited warranty with respect to the Software, the terms and limitations of which are set forth in the Warranty Agreement. A copy of the Warranty Agreement is available at http://www.ixiacom.com/support/terms_and_conditions. The Warranty Agreement is incorporated herein by reference and by this reference. In the event of any discrepancies or conflicts between the terms and conditions of this Agreement and those of the Warranty Agreement, the terms and conditions of this Agreement shall govern. Upon expiration of the warranty period specified in the Warranty Agreement, Licensee may purchase extended warranty coverage if available, pursuant to the terms on which such warranty coverage is then available.

(b) Disclaimer. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND EXCEPT AS EXPRESSLY SET FORTH IN THE WARRANTY AGREEMENT, THE SOFTWARE AND THE DOCUMENTATION IS PROVIDED "AS IS", AND KEYSIGHT AND ITS SUPPLIERS AND LICENSORS DO NOT MAKE AND SPECIFICALLY DISCLAIM ALL EXPRESS AND IMPLIED WARRANTIES OF EVERY KIND RELATING TO THE SOFTWARE, THE DOCUMENTATION, AND/OR USE OF THE SOFTWARE OR THE DOCUMENTATION (INCLUDING, WITHOUT LIMITATION, ACTUAL AND IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT), AS WELL AS ANY WARRANTIES THAT THE SOFTWARE OR THE DOCUMENTATION (OR ANY ELEMENTS OF EITHER) WILL ACHIEVE A PARTICULAR RESULT, OR WILL BE UNINTERRUPTED OR ERROR-FREE.

(c) Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL KEYSIGHT OR ITS LICENSORS BE LIABLE UNDER ANY THEORY OF LIABILITY FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING FROM LOSS OF PROFITS, REVENUE, DATA, OR USE, OR FROM INTERRUPTED COMMUNICATIONS OR DAMAGED DATA, OR FROM ANY DEFECT OR ERROR, OR IN CONNECTION WITH LICENSEE'S ACQUISITION OF SUBSTITUTE GOODS OR SERVICES OR MALFUNCTION OF THE SOFTWARE, OR ANY SUCH DAMAGES ARISING FROM BREACH OF CONTRACT OR WARRANTY OR FROM NEGLIGENCE OR STRICT LIABILITY) IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THE DOCUMENTATION, AND/OR ANY USE OF THE SOFTWARE OR THE DOCUMENTATION, EVEN IF KEYSIGHT OR ANY OF ITS LICENSORS OR ANY OTHER PERSON HAS BEEN ADVISED OR SHOULD KNOW OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY REMEDY TO ACHIEVE ITS INTENDED PURPOSE. WITHOUT LIMITING THE FOREGOING, KEYSIGHT'S MAXIMUM AGGREGATE LIABILITY IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THE DOCUMENTATION, AND/OR USE OF THE SOFTWARE OR THE DOCUMENTATION SHALL NOT EXCEED THE TOTAL AMOUNT OF ANY LICENSE FEES AND/OR EXTENDED MAINTENANCE FEES PAID BY LICENSEE IN CONNECTION WITH THE SOFTWARE.

IXANVL BINARY LICENSE AGREEMENT

(d) Responsibilities of Licensee. As a licensee of the SOFTWARE, Licensee is solely responsible for the proper installation and operation of the SOFTWARE in accordance with the instructions and specifications set forth in the Documentation. Keysight shall have no responsibility or liability to Licensee, under the Warranty Agreement or otherwise, for improper installation or operation of the SOFTWARE. Any output or execution errors resulting from improper installation or operation of the SOFTWARE shall not be deemed "defects" for purposes of the Warranty Agreement.

7. INDEMNITY

Licensee hereby agrees to indemnify, protect, defend, and hold Keysight harmless from and against any and all claims, losses, and damages, including without limitation, reasonable attorneys' and experts' fees and disbursements, (a) which may at any time be asserted against Keysight by any party for Licensee's failure to perform any of the covenants, agreements, terms, provisions, or conditions contained in this Agreement, by any party by reason of Licensee's use or misuse of the Software or the Documentation, or resulting from any failure by Licensee to comply with any term, condition, or restriction in this Agreement.

8. NON-DISCLOSURE

Licensee shall take all reasonable steps necessary to ensure that the SOFTWARE and the Documentation (or any portion of either) are not made available or disclosed by Licensee (or by any of its employees, representatives, or agents) to any person other than as may be necessary to Licensee's employees, representatives, and agents to use the same as expressly permitted herein. Licensee agrees that all of its employees, representatives, and agents having access to the SOFTWARE and/or the Documentation shall observe and perform the terms of this Section 8.

9. U.S. GOVERNMENT RESTRICTED RIGHTS

(a) Commercial Software. The SOFTWARE and the Documentation are deemed to be "commercial computer software" and "commercial computer software documentation," respectively, for purposes of Federal Acquisition Regulations ("FAR") 12.212 and the Defense FAR Supplement ("DFARS") 227.7202-1, 227.7202-3, and 227.7202-4, and the restrictions set forth in such regulations, and this Agreement shall be deemed to be the license described in such regulations. Any use, modification, reproduction, release, performance, display, or disclosure of the SOFTWARE or the Documentation by any agency, department, or entity of the United States Government (the "Government") shall be governed solely by the terms of this Agreement and is prohibited except to the extent expressly permitted by the terms of this Agreement. The SOFTWARE and the Documentation are also deemed to be "restricted computer software" for purposes of FAR 52.227-14(g)(3) (*Alternate III (June 1987)*) and FAR 52.227-19, which clauses are incorporated herein by reference subject to the express restrictions and prohibitions set forth above.

(b) Certain Technical Data. Any technical data provided that is not covered by the above provisions is deemed to be "technical information related to commercial computer software or commercial computer software documentation" for purposes of FAR 12.212 and the restrictions set forth therein, and is deemed to be "technical data or information related or pertaining to commercial items or processes" developed at private expense for purposes of DFARS 227.7102-1 and 227.7102-2 and the restrictions set forth therein, and this Agreement shall be deemed to be the license described in such regulations. Any use, modification, reproduction, release, performance, display, or disclosure of such technical data by the Government shall be governed solely by the terms of this Agreement and is prohibited except to the extent expressly permitted by the terms of this Agreement. Such technical data is also deemed to be "limited rights data" as defined in FAR 52.227-14(a) (*Alternate I (June 1987)*) and for purposes of FAR 52.227-14(g)(2) (*Alternate II (June 1987)*), which clauses are incorporated herein by reference subject to the express restrictions and prohibitions set forth above. Such technical data shall also be deemed to be "technical data" for purposes of DFARS 252.227-7015, which clause is incorporated herein by reference subject to the express restrictions and prohibitions set forth above.

(c) Third Party Acceptance of Restrictions. Licensee shall not provide the SOFTWARE, the Documentation, or the technical data to any party, including the Government, unless such third party accepts the same restrictions as are set forth in this Section 9. Licensee is responsible for ensuring that the proper notice is given to all such third parties and that the SOFTWARE, the Documentation, and the technical data are properly marked with the required legends. Nothing in this Section 9(c) shall be deemed to modify the restrictions on transfer or disclosure set forth elsewhere in this Agreement.

IXANVL BINARY LICENSE AGREEMENT

10. GOVERNING LAW; ENFORCEMENT

(a) Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by the laws of the State of California, without reference to conflicts of laws principles; provided, however, that if the SOFTWARE was licensed outside the United States, then certain local laws may apply. IN ADDITION, THIS AGREEMENT WILL NOT BE GOVERNED OR INTERPRETED IN ANY WAY BY REFERRING TO ANY LAW BASED ON THE UNIFORM COMPUTER INFORMATION TRANSACTIONS ACT (UCITA), EVEN IF THAT LAW HAS BEEN ADOPTED IN CALIFORNIA, AND THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS IS HEREBY EXCLUDED.

(b) Equitable Relief. Licensee acknowledges that any actual or threatened breach of the provisions of this Agreement will constitute immediate, irreparable harm to Keysight and its licensors (as applicable) for which monetary damages would be an inadequate remedy; that injunctive relief is an appropriate remedy for any such breach or threatened breach; and that, in such event, Keysight (and/or its licensors, as applicable) will be entitled to immediately injunctive relief without the requirement of posting bond.

11. INVALIDITY OF PROVISIONS

If any provision in this Agreement is invalid or unenforceable, such provision shall be construed, limited, or altered, as necessary, to eliminate the invalidity or unenforceability and all other provisions of this Agreement shall remain in effect.

12. MISCELLANEOUS

(a) This Agreement and the Warranty Agreement set forth the entire agreement between Keysight and Licensee with respect to the SOFTWARE, the Documentation, and/or Licensee's use of the SOFTWARE and the Documentation. No provision of this Agreement or of the Warranty Agreement may be waived, modified, or superseded except by a written instrument signed by each of Keysight and Licensee. Both parties hereby acknowledge and agree that any and all licensors of Keysight (and any and all licensors of Keysight's licensors) shall be direct and intended third party beneficiaries of this Agreement (including, without limitation, the provisions regarding intellectual property ownership, and the disclaimers of warranties and limitations on liability, as set forth herein), with the right to directly enforce same. No failure or delay in exercising any right or remedy shall operate as a waiver of any such (or any other) right or remedy. The language of this Agreement shall be construed as a whole, according to its fair meaning and intent, and not strictly for or against either party, regardless of who drafted or was principally responsible for drafting this Agreement or any specific term or conditions hereof. This Agreement shall bind and inure to the benefit of the parties and their successors and permitted assigns. Both parties are acting as independent contractors with respect to the activities hereunder. In the event of any legal proceeding between the parties arising out of or related to this Agreement, the prevailing party shall be entitled to recover, in addition to any other relief awarded or granted, its costs and expenses (including but not limited to reasonable attorneys' and expert witness' fees) incurred in any such proceeding.
