

NETWORK VISIBILITY SOFTWARE END USER LICENSE AGREEMENT

This KEYSIGHT SOFTWARE END USER LICENSE AGREEMENT (this "Agreement") is a legal agreement between you (a business entity and not an individual) ("Licensee") and Keysight regarding Keysight's Ixia-branded software product(s) identified in the related Keysight invoice, including all associated media (collectively, the "SOFTWARE," as further defined below). By checking and/or clicking the "I Accept" or similar box or button at the beginning of the SOFTWARE download and/or installation process, and/or by installing the SOFTWARE or having the SOFTWARE installed (for example, and not by way of limitation, by permitting Keysight to install the SOFTWARE on hardware owned, controlled, or operated by Licensee), and/or by using the SOFTWARE or equipment containing the SOFTWARE, and/or by downloading the SOFTWARE and/or by activating the SOFTWARE with any associated license key, as applicable, you are binding the business entity that you represent (i.e., Licensee) to the terms and conditions of this Agreement.

If Licensee does not agree to be bound by the terms of this Agreement, Licensee may not use the SOFTWARE in any way, and Licensee (either itself or through any of its employees) must not check and/or click any "I Accept" or similar box or button associated with this Agreement during the SOFTWARE installation, activation, and/or download process, as applicable, and must promptly return the SOFTWARE (including, without limitation, any software media), unused, to Keysight.

1. CERTAIN DEFINITIONS

- (a) "Server Software" is software that is intended for use on an Keysight Ixia-branded Hardware Chassis or other Keysight-approved hardware product, and that provides certain services on that product.
- (b) "Client Software" is software that is intended for use on a computer workstation, and that allows an end user to access and utilize the services of Server Software.
- (c) "License Management Software" is software that provides certain software license management services on a computer server.
- (d) "Open Source Software" is any software or software component, module, or package that contains, or is derived in any manner (in whole or in part) from, any software that is distributed as free software, open source software, or under similar licensing or distribution models, including, without limitation, software licensed or distributed under any of the following licenses or distribution models, or licenses or distribution models similar to any of the following: (i) GNU's General Public License (GPL) or Lesser/Library GPL (LGPL); (ii) the Artistic License (e.g., PERL); (iii) the Mozilla Public License; (iv) the Netscape Public License; (v) the Sun Community Source License (CSL); (vi) the Sun Industry Standards License (SISL); (vii) the BSD License; and (viii) the Apache License.

2. GRANT OF LICENSE

Subject to the terms, conditions, and restrictions in this Agreement, Keysight grants to Licensee a limited, non-exclusive, non-transferable, and non-sublicensable license to (i) install and use the Server Software, the Client Software the License Management Software, and the Open Source Software (collectively, and together with any copies thereof made in accordance with this Agreement, the "SOFTWARE") for which Licensee has paid or will pay to Keysight any required license fees, in object code form only, and (ii) use the provided end user documentation, whether printed or electronic (together with any copies thereof made in accordance with this Agreement, the "Documentation"), in support of Licensee's use of the SOFTWARE. The license(s) granted above are subject to the following terms and conditions, as well as all other terms and conditions in this Agreement and in the applicable Keysight invoice:

- (a) Server Software. Any Server Software included in the SOFTWARE may be installed and/or used only on the particular Keysight Ixia-branded Hardware Chassis or other Keysight-approved hardware product for which such Server Software is designated.
- (b) Client Software. Except as otherwise provided in the applicable Keysight invoice, any Client Software included in the SOFTWARE may be installed and/or used on an unlimited number of computer workstations. Such use is subject to any further restrictions in the applicable Keysight invoice, including but not limited to any restrictions limiting the number of Client Software copies that can concurrently access and utilize the services of a particular copy of Server Software.
- (c) License Management Software. Any License Management Software included in the SOFTWARE may be installed and/or used only on the number of designated servers corresponding with the total number of licenses specified in the applicable Keysight invoice.
- (d) Open Source Software. Licensee hereby acknowledges that the SOFTWARE may utilize or include Open Source Software that must be licensed under the specific license terms applicable to that Open Source Software ("Open Source License"). Open Source License terms are available at <https://support.ixiacom.com/support-services/warranty-license-agreements> or in other materials provided by Keysight. Notwithstanding anything to the contrary in this Agreement, to the extent that any such Open Source License requires that the corresponding Open Source Software be licensed to Licensee under terms that are different than the terms set forth in this Agreement, then such Open Source Software is licensed under the terms of that Open Source License and the other terms and conditions in this Agreement shall not apply with respect to that Open Source Software. Licensee (i) acknowledges that any such Open Source License is solely between Licensee and the applicable licensor of the Open Source Software and (ii) agrees to comply with the terms of any such Open Source License. Any Open Source License associated with Open Source Software applies only to that Open Source Software and not the other software included in the SOFTWARE.

NETWORK VISIBILITY SOFTWARE END USER LICENSE AGREEMENT

(e) Updates and Releases. To the extent that, the Limited Warranty and Technical Support Agreement (the "Limited Warranty Agreement"), Keysight or an affiliate provides Licensee with any revised, modified, or replacement SOFTWARE, or additional or supplemental SOFTWARE, or any updates, releases, error corrections, or bug fixes related to the SOFTWARE, the same shall become part of the "SOFTWARE" licensed hereunder when delivered to Licensee and shall be subject to all of the terms and conditions contained herein. With respect to any technical information Licensee provides to Keysight or an affiliate in connection with the license(s) granted to Licensee hereunder, Keysight may use such information for any purpose without restriction, including, without limitation, for product support and development. Keysight will not use such technical information in a form that identifies Licensee.

(f) Media: License Keys. Licensee may receive the SOFTWARE in more than one medium, or Licensee may receive copies of the SOFTWARE that are compatible with operating systems not specified on the applicable invoice. Regardless, Licensee may use the SOFTWARE only as expressly permitted in this Agreement. Licensee acknowledges and agrees that installation and/or use of certain SOFTWARE may be subject to activation by license key.

(g) Copies. Except as is otherwise expressly provided in this Agreement, Licensee may make only one copy of the SOFTWARE, and may use that copy only for backup and archival purposes. Licensee may copy the Documentation to the limited extent reasonably necessary to facilitate Licensee's use of the SOFTWARE in accordance with this Agreement.

(h) Reservation of Rights. Keysight reserves all rights not expressly granted herein.

3. TITLE; COPYRIGHT; PATENTS; NO SALE

(a) Ownership. Certain of the SOFTWARE may contain or be based upon software and/or other materials licensed to Keysight by third party licensors. Licensee acknowledges and agrees that the SOFTWARE (including but not limited to any proprietary protocols implemented therein) constitutes valuable trade secrets of Keysight, its affiliates, and/or its licensors (as applicable). Licensee further acknowledges and agrees that Keysight, its affiliates, and/or its licensors (as applicable) own all rights, title, and interest in and to the SOFTWARE and the Documentation (including, without limitation, any all copies, extracts, and associated media thereof, all concepts, logic, protocols, and specifications related thereto, and all images, "applets," photographs, animations, video, audio, and/or text incorporated therein), as well as all patents, trademarks, trade names, inventions, copyrights, know-how, trade secrets, and other intellectual and industrial property rights, and any related applications or extensions, relating thereto or relating to the design, manufacture, operation, or service of the SOFTWARE.

(b) Copyright: Copies. Licensee acknowledges and agrees that the SOFTWARE and the Documentation is protected by United States copyright laws and international treaty provisions. Licensee must treat the SOFTWARE and the Documentation like any other copyrighted material and may only make copies as expressly permitted herein.

(c) Licensed Not Sold. Licensee acknowledges and agrees that the SOFTWARE and the Documentation has been licensed to Licensee pursuant to the terms and conditions of this Agreement and that neither the SOFTWARE nor the Documentation has been sold to Licensee.

4. RESTRICTIONS AND LIMITATIONS

(a) General Use Restrictions. Licensee shall not use, copy, merge, or transfer copies of the SOFTWARE or the Documentation except as may be expressly and specifically authorized in this Agreement. Licensee shall not knowingly take any action that would cause the SOFTWARE or the Documentation to be placed in the public domain.

(b) No Reverse Engineering; No Modification. Licensee may not, under any circumstances, reverse engineer, decompile, disassemble, or otherwise attempt to discover, reconstruct, or identify the source code for the SOFTWARE or any user interface techniques, algorithms, logic, protocols, or specifications included, incorporated, or implemented therein. Furthermore, Licensee may not, under any circumstances and except as expressly authorized by Keysight in the Documentation, modify, port, translate, or create derivative works of the SOFTWARE or the Documentation.

(c) Rental; Leasing. Licensee may not, and agrees that it will not, transfer, assign, rent, lease, lend, resell, or in any way distribute or transfer any rights in this Agreement, the SOFTWARE, or the Documentation to third parties, including by operation of law, without Keysight's prior written approval and subject to written agreement by the recipient to the terms of this Agreement.

(d) Export Restrictions; Compliance with Laws. Licensee agrees that Licensee will not, directly or indirectly, export or transmit the SOFTWARE or the Documentation to any country to which such export or transmission is restricted by any applicable U.S. regulation or statute, without the prior written consent, if required, of the Bureau of Export Administration of the U.S. Department of Commerce or such other governmental entity as may have jurisdiction over such export or transmission. Licensee agrees to comply with and conform to all applicable laws, regulations, ordinances, and executive orders relating to Licensee's use of the SOFTWARE and the Documentation.

NETWORK VISIBILITY SOFTWARE END USER LICENSE AGREEMENT

5. USE AUDIT

Keysight shall have the right, upon reasonable notice, to conduct and/or have an independent accounting firm to conduct, during normal business hours on Licensee's premises under Licensee's reasonable supervision, an audit to verify Licensee's compliance with the terms of this Agreement.

6. TERM AND TERMINATION

(a) General. Except as provided below with respect to evaluation and limited term licenses, this Agreement and the license(s) granted herein will remain effective until terminated. Licensee may terminate this Agreement and the license(s) granted herein by ceasing all use of the SOFTWARE and the Documentation, and returning all copies of the SOFTWARE and the Documentation to Keysight. The license(s) granted to Licensee under this Agreement will automatically terminate if Licensee fails to comply with any term or condition of this Agreement.

(b) Evaluation and Term Licenses. If the SOFTWARE has been licensed to Licensee for evaluation purposes, then the term of this Agreement will continue only until the end of the designated evaluation period. If the SOFTWARE has been licensed to Licensee for a limited period as specified in the applicable invoice or otherwise, then the term of this Agreement will continue only until the end of that period. SOFTWARE that is subject to any evaluation or limited term license may contain code that can disable most or all of the features of such SOFTWARE upon expiration of such evaluation or limited term license, and unless Licensee has paid to Keysight the applicable license fee for any additional licenses, Licensee shall have no rights to use the SOFTWARE or the Documentation upon expiration of any such license.

(c) Licensee Obligations Upon Termination or Expiration. Licensee agrees, upon any termination or expiration of this Agreement, to cease use of, and to destroy or return to Keysight, all copies of the SOFTWARE and any related Documentation. Sections 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13 of this Agreement shall survive any expiration or termination of this Agreement for any reason and continue in full force and effect.

7. LIMITED WARRANTY; DISCLAIMER; LIMITATION OF LIABILITY

(a) DISCLAIMER OF WARRANTY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN THE LIMITED WARRANTY AGREEMENT, THE SOFTWARE AND THE DOCUMENTATION IS PROVIDED "AS IS", AND KEYSIGHT AND ITS SUPPLIERS AND LICENSORS DO NOT MAKE AND SPECIFICALLY DISCLAIM ALL EXPRESS AND IMPLIED WARRANTIES OF EVERY KIND RELATING TO THE SOFTWARE, THE DOCUMENTATION, AND/OR USE OF THE SOFTWARE OR THE DOCUMENTATION (INCLUDING, WITHOUT LIMITATION, ACTUAL AND IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT), AS WELL AS ANY WARRANTIES THAT THE SOFTWARE, THE DOCUMENTATION, OR ANY ELEMENTS THEREOF WILL ACHIEVE A PARTICULAR RESULT, OR WILL BE UNINTERRUPTED OR ERROR-FREE.

(b) LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL KEYSIGHT OR ITS LICENSORS BE LIABLE IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THE DOCUMENTATION, AND/OR ANY USE OF THE SOFTWARE OR THE DOCUMENTATION, UNDER ANY THEORY OF LIABILITY, FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING FROM LOSS OF PROFITS, REVENUE, DATA, OR USE, OR FROM INTERRUPTED COMMUNICATIONS OR DAMAGED DATA, OR FROM ANY DEFECT OR ERROR, OR IN CONNECTION WITH LICENSEE'S ACQUISITION OF SUBSTITUTE GOODS OR SERVICES OR MALFUNCTION OF THE SOFTWARE OR THE DOCUMENTATION, OR ANY SUCH DAMAGES ARISING FROM BREACH OF CONTRACT OR WARRANTY OR FROM NEGLIGENCE OR STRICT LIABILITY, EVEN IF KEYSIGHT OR ANY OF ITS LICENSORS OR ANY OTHER PERSON HAS BEEN ADVISED OR SHOULD KNOW OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY REMEDY TO ACHIEVE ITS INTENDED PURPOSE. FURTHER, IN NO EVENT SHALL KEYSIGHT'S MAXIMUM, AGGREGATE LIABILITY IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THE DOCUMENTATION, AND/OR ANY USE OF THE SOFTWARE OR THE DOCUMENTATION EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY LICENSEE FOR THE SOFTWARE.

(c) KEYSIGHT LIMITED AND EXTENDED WARRANTIES. THE SOFTWARE IS LICENSED HEREUNDER SUBJECT TO ALL OF THE "OTHER LIMITATIONS" SET FORTH IN THE LIMITED WARRANTY AGREEMENT.

(d) Responsibilities of Licensee. As a licensee of the SOFTWARE, Licensee is solely responsible for the proper installation and operation of the SOFTWARE in accordance with the instructions and specifications set forth in the Documentation. Keysight shall have no responsibility or liability to Licensee, under the Limited Warranty Agreement or otherwise, for improper installation or operation of the SOFTWARE. Any output or execution errors resulting from improper installation or operation of the SOFTWARE shall not be deemed "defects" for purposes of the Limited Warranty Agreement.

NETWORK VISIBILITY SOFTWARE END USER LICENSE AGREEMENT

8. INDEMNITY

Licensee hereby agrees to indemnify, protect, defend, and hold Keysight harmless from and against any and all claims, losses, and damages, including without limitation, reasonable attorneys' and experts' fees and disbursements, which may at any time be asserted against Keysight by any party for (a) Licensee's failure to perform or comply with any of the covenants, agreements, terms, provisions, or conditions contained in this Agreement, or (b) Licensee's use or misuse of the SOFTWARE or the Documentation.

9. NON-DISCLOSURE

Licensee shall take all reasonable steps necessary to ensure that the SOFTWARE, the Documentation, and any related Keysight information, or any portion thereof, is not made available or disclosed by Licensee (or by any of its employees, representatives, or agents) to any person other than as may be necessary to Licensee's employees, representatives, and agents to use the same as expressly permitted herein. Licensee agrees that all of its employees, representatives, and agents having access to the SOFTWARE and/or the Documentation shall observe and perform the terms of this Section.

10. U.S. GOVERNMENT RESTRICTED RIGHTS

(a) Commercial Software. The SOFTWARE and its accompanying Documentation are deemed to be "commercial computer software" and "commercial computer software documentation," respectively, for purposes of Federal Acquisition Regulations ("FAR") 12.212 and the Defense FAR Supplement ("DFARS") 227.7202-1, 227.7202-3, and 227.7202-4, and the restrictions set forth in such regulations, and this Agreement shall be deemed to be the license described in such regulations. Any use, modification, reproduction, release, performance, display, or disclosure of the SOFTWARE or its accompanying Documentation by any agency, department, or entity of the United States Government (the "Government") shall be governed solely by the terms of this Agreement and is prohibited except to the extent expressly permitted by the terms of this Agreement. The SOFTWARE and its accompanying Documentation are also deemed to be "restricted computer software" for purposes of FAR 52.227-14(g)(3) (*Alternate III (June 1987)*) and FAR 52.227-19, which clauses are incorporated herein by reference subject to the express restrictions and prohibitions set forth above.

(b) Certain Technical Data. Any technical data provided that is not covered by the above provisions is deemed to be "technical information related to commercial computer software or commercial computer software documentation" for purposes of FAR 12.212 and the restrictions set forth therein, and is deemed to be "technical data or information related or pertaining to commercial items or processes" developed at private expense for purposes of DFARS 227.7102-1 and 227.7102-2 and the restrictions set forth therein, and this Agreement shall be deemed to be the license described in such regulations. Any use, modification, reproduction, release, performance, display, or disclosure of such technical data by the Government shall be governed solely by the terms of this Agreement and is prohibited except to the extent expressly permitted by the terms of this Agreement. Such technical data is also deemed to be "limited rights data" as defined in FAR 52.227-14(a) (*Alternate I (June 1987)*) and for purposes of FAR 52.227-14(g)(2) (*Alternate II (June 1987)*), which clauses are incorporated herein by reference subject to the express restrictions and prohibitions set forth above. Such technical data shall also be deemed to be "technical data" for purposes of DFARS 252.227-7015, which clause is incorporated herein by reference subject to the express restrictions and prohibitions set forth above.

(c) Third Party Acceptance of Restrictions. Licensee shall not provide the SOFTWARE, its accompanying Documentation, or the technical data to any party, including the Government, unless such third party accepts the same restrictions as are set forth in this Section 10. Licensee is responsible for ensuring that the proper notice is given to all such third parties and that the SOFTWARE, its accompanying Documentation, and the technical data are properly marked with the required legends. Nothing in this Section 10(c) shall be deemed to modify the restrictions on transfer or disclosure set forth elsewhere in this Agreement.

11. GOVERNING LAW; ENFORCEMENT

(a) Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by the laws of the State of California, without reference to conflicts of laws principles; provided, however, that if this product was acquired outside the United States, then certain local laws may apply. IN ADDITION, THIS AGREEMENT WILL NOT BE GOVERNED OR INTERPRETED IN ANY WAY BY REFERRING TO ANY LAW BASED ON THE UNIFORM COMPUTER INFORMATION TRANSACTIONS ACT (UCITA), EVEN IF THAT LAW HAS BEEN ADOPTED IN CALIFORNIA, AND THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS IS HEREBY EXCLUDED.

(b) Equitable Relief. Licensee acknowledges that any actual or threatened breach of the provisions of this Agreement will constitute immediate, irreparable harm to Keysight and its licensors (as applicable) for which monetary damages would be an inadequate remedy; that injunctive relief is an appropriate remedy for any such breach or threatened breach; and that, in such event, Keysight (and/or its licensors, as applicable) will be entitled to immediate injunctive relief without the requirement of posting bond.

12. INVALIDITY OF PROVISIONS

If any provision in this Agreement is invalid or unenforceable, such provision shall be construed, limited, or altered, as necessary, to eliminate the invalidity or unenforceability and all other provisions of this Agreement shall remain in effect.

NETWORK VISIBILITY SOFTWARE END USER LICENSE AGREEMENT

13. MISCELLANEOUS

(a) This Agreement and the Limited Warranty Agreement set forth the entire agreement between Keysight and Licensee with respect to the SOFTWARE, the Documentation, and Licensee's use thereof. No provision of this Agreement or of the Limited Warranty Agreement may be waived, modified, or superseded except by a written instrument signed by each of Keysight and Licensee. Both parties hereby acknowledge and agree that any and all licensors of Keysight (and any and all licensors of Keysight's licensors) shall be direct and intended third party beneficiaries of this Agreement (including, without limitation, the provisions regarding intellectual property ownership, and the disclaimers of warranties and limitations on liability, as set forth herein), with the right to directly enforce same. No failure or delay in exercising any right or remedy shall operate as a waiver of any such (or any other) right or remedy. The language of this Agreement shall be construed as a whole, according to its fair meaning and intent, and not strictly for or against either party, regardless of who drafted or was principally responsible for drafting this Agreement or any specific term or conditions hereof. This Agreement shall bind and inure to the benefit of the parties and their successors and permitted assigns. Both parties are acting as independent contractors with respect to the activities hereunder. In the event of any legal proceeding between the parties arising out of or related to this Agreement, the prevailing party shall be entitled to recover, in addition to any other relief awarded or granted, its costs and expenses (including but not limited to reasonable attorneys' and expert witness' fees) incurred in any such proceeding.
